

Gravity Defier

The second generation of the Gravity Defier, the GW-2500, is an outstanding analogue/digital watch. Boasting a highly contemporary cockpit design, it is one of the new G-SHOCK 'high-flyers', impressing with its innovative Tough Solar technology, plus state-of-the-art Multiband 6 for radio-controlled reception in Europe, the USA, Japan and China.

Master of G

Tough as they come, Master of G models defy the forces of nature thanks to fascinating special features that include a rally timer and a rust- or mud-resistant case, and many more.

Trendy G-SHOCK Classics: fascinating, cool design and must-have colours. What's more, the state-of-the-art Multiband 6 radio-controlled technology incorporated in the GW-6900 models will always keep you right on time.
